Dear Uzal, son of Harim;

Thank you for your recent application to join the Holy Temple Institute. Please accept our apologies for the delay in processing your application. As you can imagine, interest in joining the Institute is at an all time high now that Solomon's new Temple is complete.

We regret to inform you that your application for membership on the worship team has been denied. Please see the form below for details. Should you have further questions, please feel free to contact me directly. If I am not available, please contact Othni, my son and assistant.

Thank you again for your interest in serving in the Lord's Sanctuary. Although you may be permanently disqualified for membership to the Holy Temple Institute, you are still allowed to participate in the feasts in Jerusalem.

May the LORD bless you and protect you; the LORD make His face shine on you, and be gracious to you; the LORD look with favor on you and give you peace.
